

"The language of Friendship is not words, but meanings."

-Thoreau

"Hi - How are you?"

These four simple words mean so much to us. They open a gateway to a world of possibilities filled with shared interests, ideas, histories, values, and commitments to happiness. Consider joining Elder Friends Phone Companions and share your hopes, fears, laughter, life experiences, acquired wisdom or just what happens to be on your mind. It all starts with one call and blossoms from there. We know because we have been successfully bringing friends together for over 48 years. We invite you to join us! It's free, safe and easy to signup.
